

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation and against the law.

The public owns the airwaves and not Sinclair. These airwaves should remain non-partisan or they become corrupt, and serving corporation interests alone. Please stop this illegal use of the public airwaves. We depend on the FCC to protect our airwaves from this corruption.

Also, we want to hear from our local communities and not from a national news reporter. Keep the airwaves public and local so we hear about issues that matter to us. Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
